March 21, 2011

Mountain Springs Pool is now accepting applications for employment. Please find enclosed the necessary application, job descriptions, and policy statements regarding employment. Even if you have already sent a letter or e-mail of interest, please fill out the following paperwork and send it in by the date below.

The completed application will be presented to the pool board. In addition to the application, please enclose copies of your recent ARC Lifeguard Training, ARC First Aid, and CPR certificates. Review the available positions and indicate your preference with a number beside the jobs you will consider.

Your availability is very important. Please note your available start date, required termination date, and scheduled time off requested during the summer. Also there will be start up work days which would be helpful for you to work. There is also the probability of keeping the pool open during September weekends so please consider working through that month.

Applications must be received by April 15, 2011. I welcome your questions and look forward to hearing from you.

Best regards,

Bob Weakley
Mountain Springs Swim Club
